Can't you be ever thankful ?!
I am promoting you to my darling from a thug !
Yeah right, thanks much !
I am ever so grateful that look at my skin !
What s your problem ? You and I will be joined and we will become the greatest thieves ever !
I thought you were just a stupid kid Now I see that you are a perverted kid !

Look at me ! Am I not sexy ?!
Doesn't your thing go up at all after seeing me ?
Huh ?
주우욱
Ack !
Are you really a pervert ?! What the hell is the matter with you ?! Don't put a bra on a flat chest !
And don't do that ! You will be like David it you keep doing that !

You pervert !
That hurts !

Who are you making a pevert?! Beauty of my chest is unmatched!
This will be our first fight as a couple!
Will you stop god damn !

Damn ! It s near impossible to get this kid off me !
And with him on my back, I can't get enough time to sneak around!

B... Boss !

Everyone leave, except him.
Yes, ma'am!
ゴゴゴ

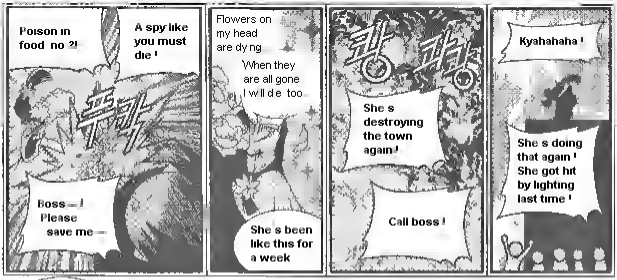
We are joined now. No one can separate us.
I said, stop!
Let me go!
Take a seat and take it easy. Let's talk.

You,
Cheron Ryeon s
son right ?

Well, that is my
mother's name
...
How did
you know ?
She was here
not long ago.

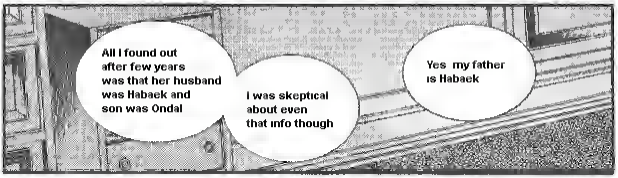
She appeared
out of nowhere
in this town.
We were taking
care of her.
Could you
please tell
me what kind
of person
she was ?

12



Poison in
food no ?!
A spy like
you must
die !
Boss—!
Please
save me—
Flowers on
my head
are dying
When they
are all gone
I will die too
She s been
like this for
a week
She s
destroying
the town
again !
Call boss !
Kyahahaha !
She s doing
that again !
She got ht
by lighting
last time !

I should have known
when I saw flowers
on her head—
But a rule of my
gang is never let
abandon our
members so—
?



All I found out after few years was that her husband was Haback and son was Ondal
I was skeptical about even that info though
Yes my father is Haback

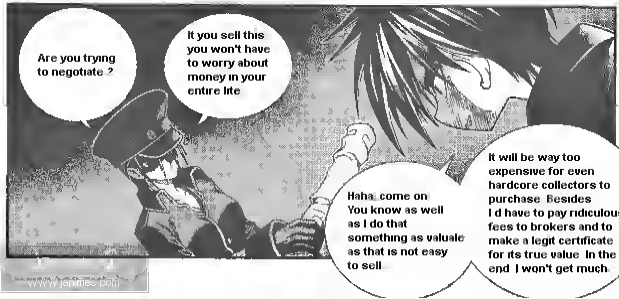
Do you know what this is then ?

That's ... !
My father's blade !

I see.

I will give this to you. In return, do me a favor.
Before that, there are lots of things I want to know. I will decide after I find out how much you can tell me.

14



Are you trying to negotiate ?
If you sell this you won't have to worry about money in your entire life
Haha, come on. You know as well as I do that something as valuale as that is not easy to sell
It will be way too expensive for even hardcore collectors to purchase. Besides I d have to pay ridiculous fees to brokers and to make a legit certificate for its true value. In the end I won't get much.

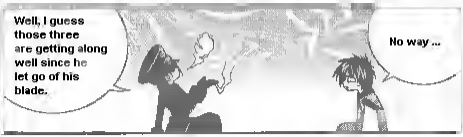
www.jaimiee.com

Not bad at all
Do you want to join this gang ?
Sorry, but no scouting
Fine, tell me what you want to know
Why is his blade here in the first place ?
Because Cho Ryu Hyang took your mother

It would seem that he managed to encounter Cho-Ryu-Hyang somehow.
I am sorry, but that is all I know. 몰라.
My lord ....
큭큭

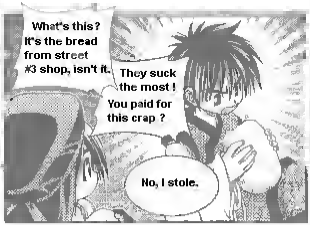
My lord ...
Alright..I will take care of you tonight also !
Ahah ...
My lord ....

크크크



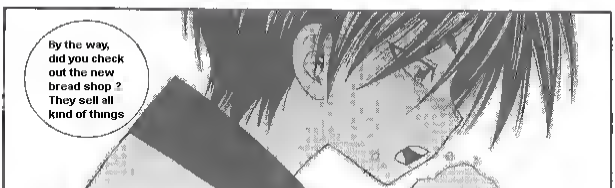
Well, I guess those three are getting along well since he let go of his blade.
No way ...

What did you do with the boss last night ?



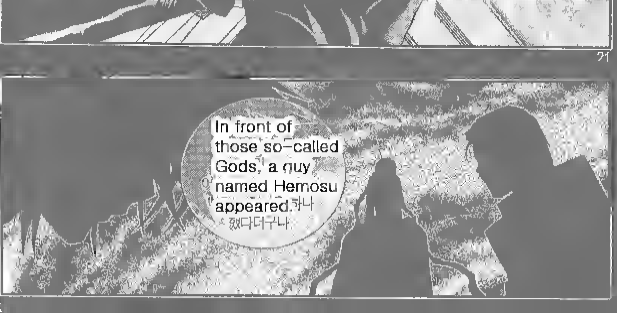
What's this? It's the bread from street #3 shop, isn't it.
They suck the most !
You paid for this crap ?
No, I stole.

You fool ! Don't you know that the shop by the corner makes the best breads?!
Don't be picky. We stole from there so many times that they guard the shop like a prison.
Let's try together next time.

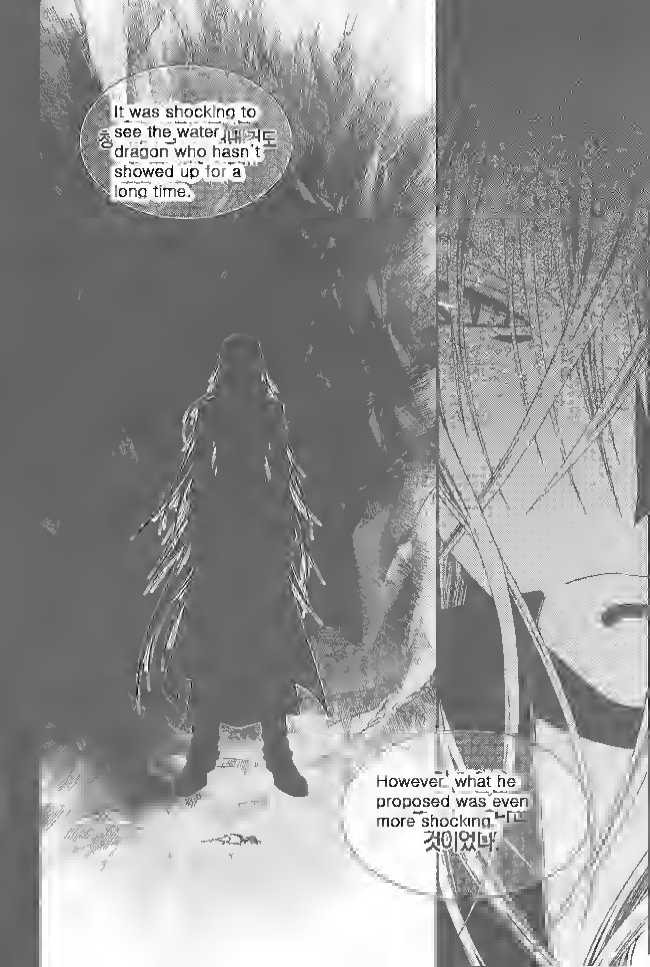


By the way, did you check out the new bread shop ? They sell all kind of things

I will tell you what I know.



In front of those so-called Gods, a guy named Hemosu appeared.하나 있다더구나



It was shocking to see the water 귀도 dragon who hasn't showed up for a long time.
However, what he proposed was even more shocking.

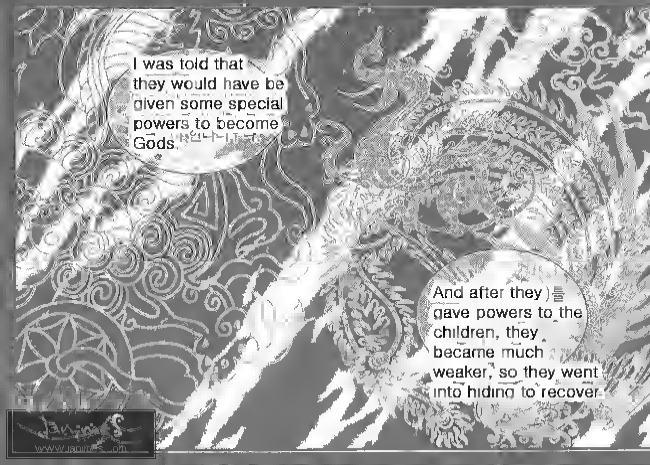
This human's world is too small for us.
Let us abandon limitations of physical bodies and become greater beings.
However, before that, let us make our counterparts and let them take over.

So called "Moving to Heaven" plan

I am sorry, but that proposal ... reeks of bad omen as if someone was trying to set up a trap for them.
No way would they fall for such an obvious ...
But they did. They have been doing the same stuff for God knows how many thousand years. I suppose they were too bored to refuse.

So, they went out to hook up with women who'd bear their children.
I was chosen by Cho-Ryu-Hyang.

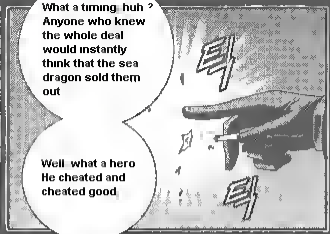
But the children they gave birth to, they were mere humans.



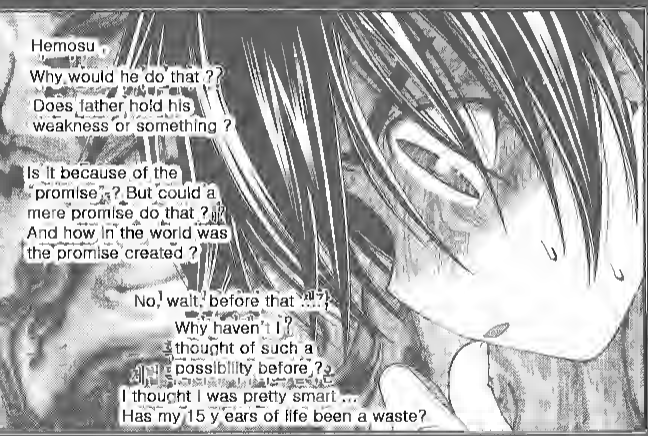
I was told that they would have be given some special powers to become Gods.
And after they gave powers to the children, they became much weaker, so they went into hiding to recover.

그때 하배신이
Then Habaejk
appeared !
나타났다!
그들을
He became the
world's hero after
defeating them !

Ah that



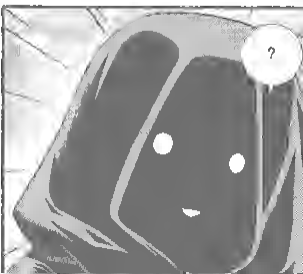
What a timing, huh ? Anyone who knew the whole deal would instantly think that the sea dragon sold them out
Well, what a hero He cheated and cheated good
틱
틱



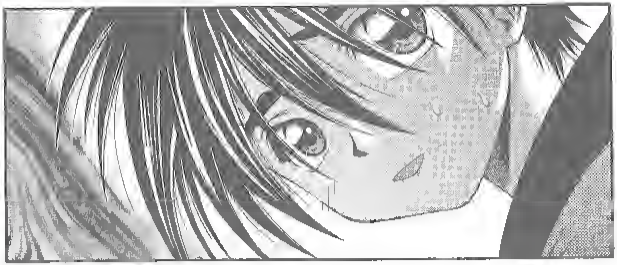
Hemosu ...
Why would he do that ??
Does father hold his weakness or something ?
Is it because of the "promise" ? But could a mere promise do that ? And how in the world was the promise created ?
No, wait, before that ...
Why haven't I thought of such a possibility before ?
I thought I was pretty smart ...
Has my 15 years of life been a waste?

Anything else to ask ?
치익
치익
Now you listen to my request

헉!!



?



Make Sak to stay here !

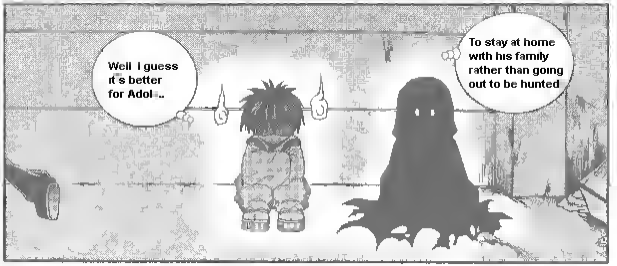
I need someone to take over my place !

Sak ...? You mean Adol ?

He will only run away if I force him to stay here.

He seems to listen to you. Convince him for me.

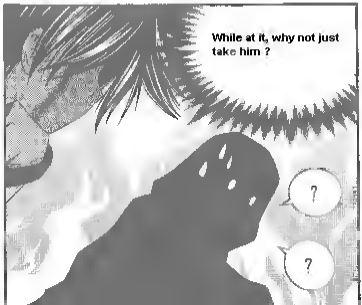
I don't have much time to live.
Convince him as soon as possible and leave.
Take the blade if you want.
끼익
I did what you asked for. Now, it is your turn to keep your end of bargain.
Do not disappoint me !



Well, I guess it's better for Adol...
To stay at home with his family rather than going out to be hunted

But what am I going to do ?!
How could I survive in this cruel world without Adol ?!

Should I just run away ?!



While at it, why not just take him ?
?
?

Adol !
Hey !

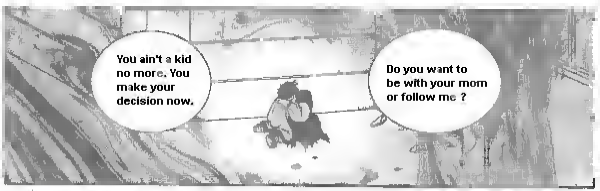
Which one do you like more, your mom or me ?



You ain't a kid no more. You make your decision now.

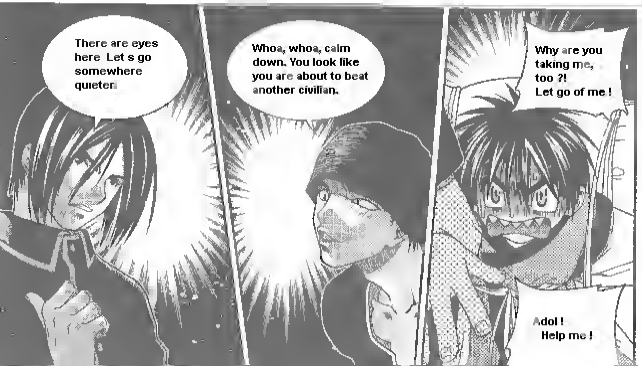
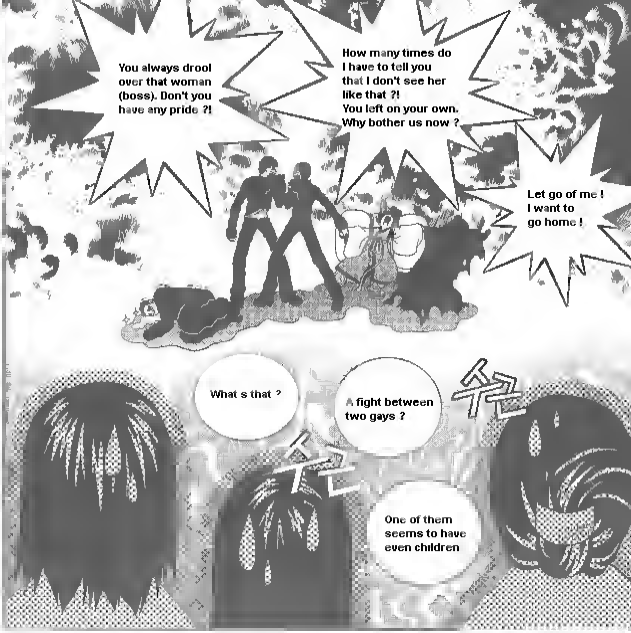
Who ?
An old friend who betrayed our gang and joined our enemy.
I hear you are busy being the boss adulterer ?
...So, you are the source

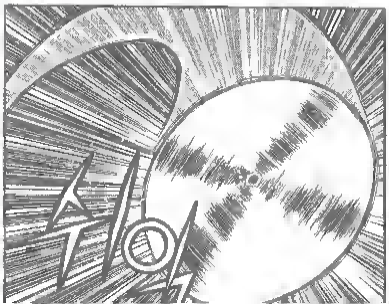
I know your gang is having a hard time.
Why don't you just let us have this area and lift the burden on your gang ?



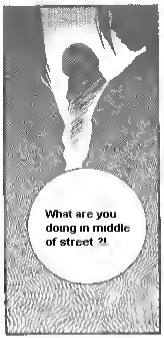
There are eyes here. Let s go somewhere queter.
Whoa, whoa, calm down. You look like you are about to beat another civilian.
Why are you taking me, too ?! Let go of me !
Adol ! Help me !



You always drool over that woman (boss). Don't you have any pride ?!
How many times do I have to tell you that I don't see her like that ?! You left on your own. Why bother us now ?
Let go of me ! I want to go home !
What s that ?
A fight between two gays ?
One of them seems to have even children



Ack !



What are you doing in middle of street ?!

I shall punish those who break peace of this city!

It was... planned... or not

Anyway, thanks ! We won't see each other again !

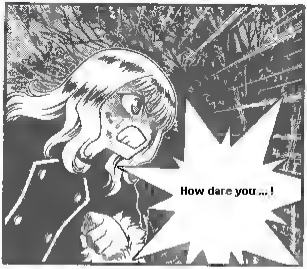
??!

What are you doing ?
Carry Samson now !
Seal her in the cage and few of you come here and assist me !



How dare you ... !

You are inexperience and don't seem to know the truth.
I pity you, and therefore, I will show you the truth.

Truth about how previous angel masters ended up !

This will consume all my available powers and I will lose consciousness so this is an early farewell!
Now see the truth for yourself, young priest!

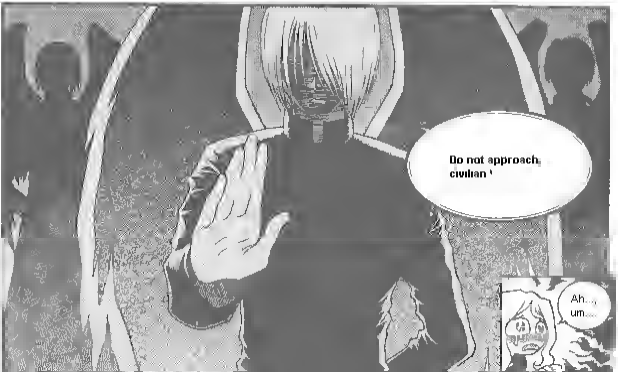
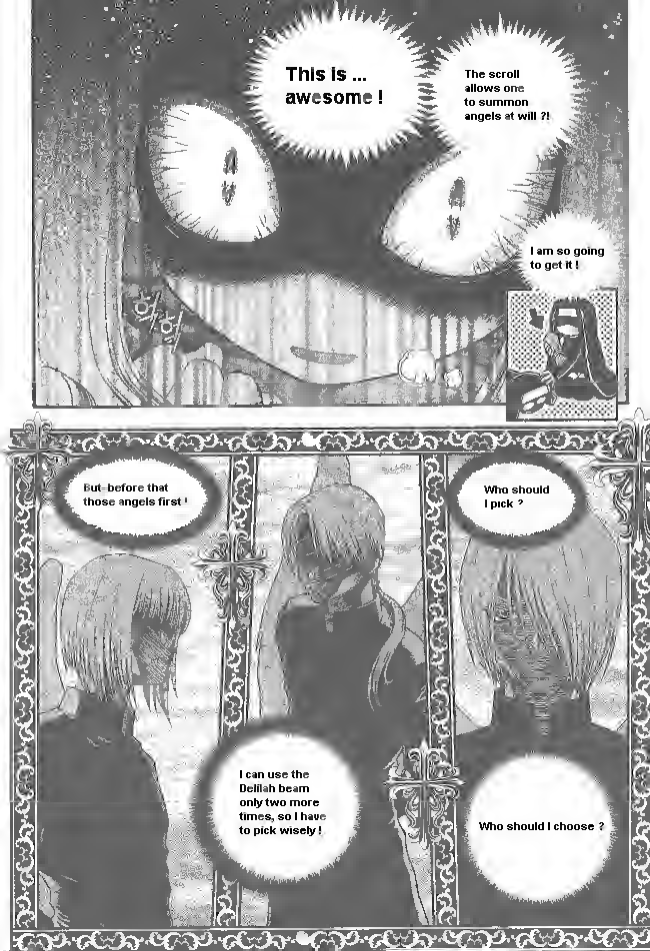
Friends !!!

I am so glad to meet to you !
Help me out her....

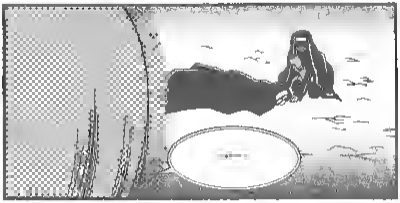


Do not approach, civilian !
Ah..., um...



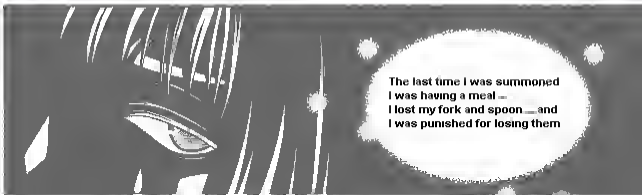
This is ... awesome !
The scroll allows one to summon angels at will ?!
I am so going to get it !
But- before that those angels first !
Who should I pick ?
I can use the Delilah beam only two more times, so I have to pick wisely !
Who should I choose ?

슥



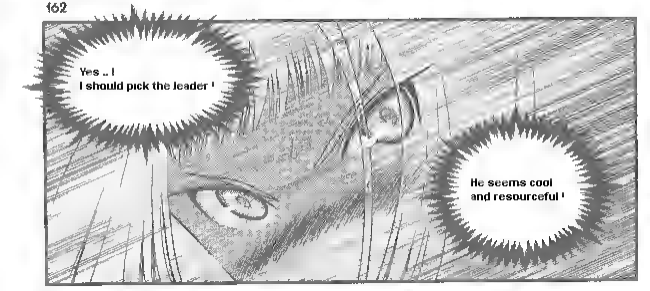
It's that nun again !

Just who the hell made
that artifact anyway ?!
It's bothering us too much !



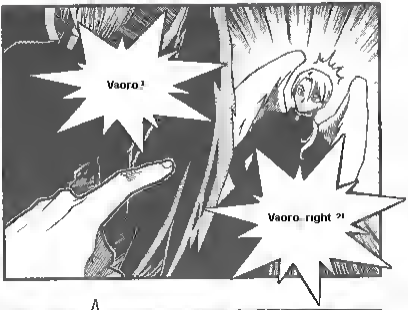
The last time I was summoned
I was having a meal ...
I lost my fork and spoon ... and
I was punished for losing them

Why did she have to summon us when we were shoveling...
Why don't we beat the crap out them with the shovels and bury them if nothing else works ...



Yes .. I
I should pick the leader !
He seems cool and resourceful !

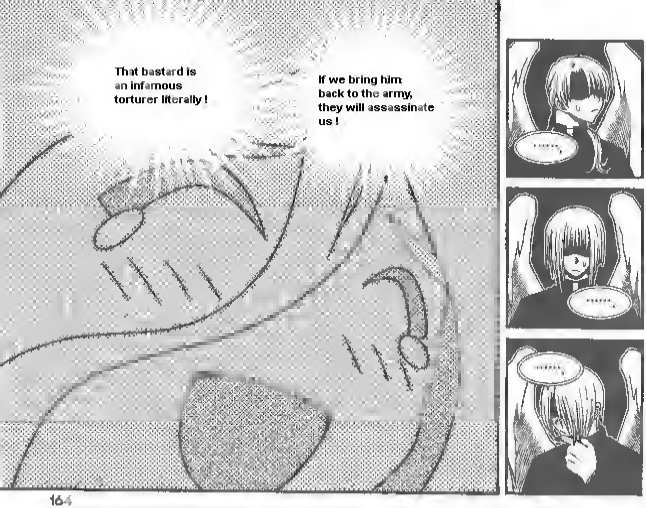
Alright ! Let's do it !
Huh ?!



Vaoro !
Vaoro- right ?!

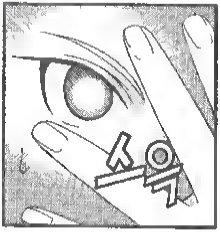
I am so glad to see you friend !
Don't tell me that you've forgotten me ?!

You know that human— ?
Well ... we are from the same training camp
It looks like he has gotten into some kind of untortunate incident. We will take him and ...
Please don't sir !

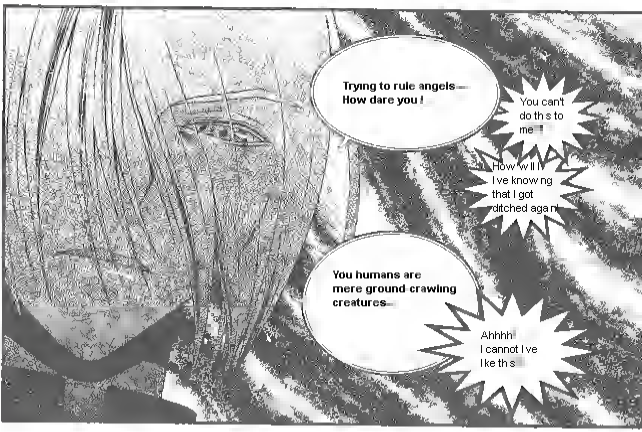


That bastard is an infamous torturer literally !
If we bring him back to the army, they will assassinate us !
.....
.....
.....

Don't bother, ditch him !!
Who are you, human ?!
Don't pretend that you know us !
Don't tell me that you guys are tryng to ditch me



Don't even try !
You are an angel master, are you not ?



Trying to rule angels— How dare you !
You can't do th s to me !
How w ll I l've know ng that I got ditched aga n
You humans are mere ground crawling creatures—
Ahhhh I cannot l've lke th s

Shut up or I will make you shut up !

Your wings ..

You are now a 'ground crawling' human. What are you going to do now?

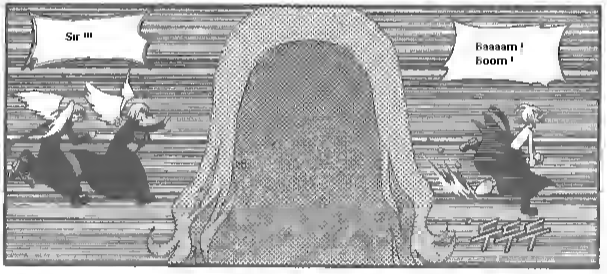
How can this be ... ?

I've become ... a human ... ?

Hi ..... !!!!
Ho ---------- !
Sir ... ?!
What's wrong with you ...

I am done with the army !
I AM FREE AT LAST !
!!

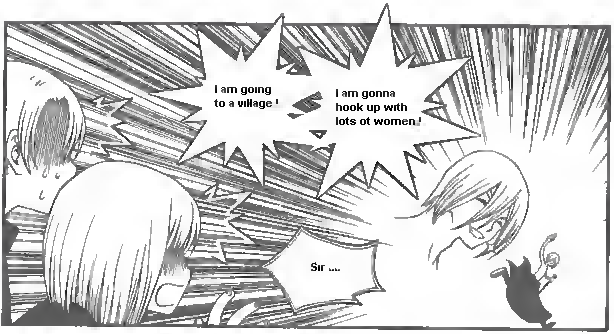
HAHA
HAHA
HAHA !!!
Sir !
Get a hold
of yourself
!



Sir !!!
Baaaam !
Boom !

172

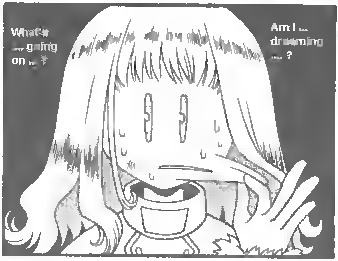
Sir !!!
Get him !
...



I am going to a village !
I am gonna hook up with lots of women !
Sir ....

Do you guys have some money ?
Girls won't play along if you don't have moeny, do they ?
No way would we have money ....

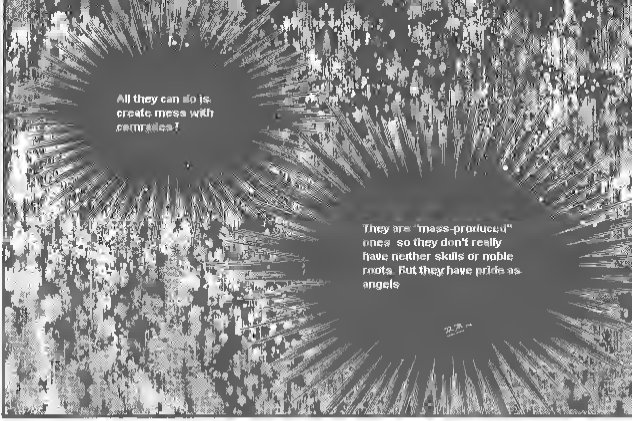
Then take off your clothes !
Don't do this ...sir !



What's ...going on ... ?
Am I ... dreaming ... ?

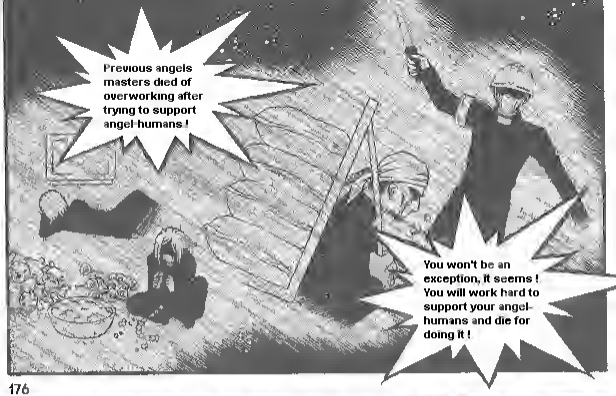
Do you get it now ?
Their true faces !
Sister

What are you saying ...
How are you feeling ?
You passed out for 4 days last time



All they can do is create mess with carnalities !
They are "mass-produced" ones so they don't really have neither skulls or noble roots. But they have pride as angels

And look at him !
You take the angel s wings off him and he shows his true uselessness !
Then what you meant by the truth ...
Isn't that obvious !

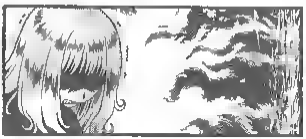


Previous angels masters died of overworking after trying to support angel-humans !
You won't be an exception, it seems ! You will work hard to support your angel-humans and die for doing it !

Nooooooooooo !
What do I have in my life now ?!
My goal was to have a decent angel by myside and change my life !
Ahah — ! Ground below me is ... collapsing !

Excuse me ...

Could you turn us humans as well ?
Seeing him like that we'd like to feel that too...



Delilah beam !

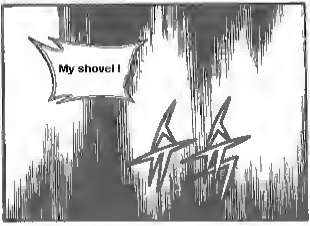
What are you doing ?!
Get in the formation !
Hah, look who is talking.... He was shoveling in air a moment ago.
We are at duty ! Don't forget that !

178

Well-the time's over

We are leaving
Ah, wait !

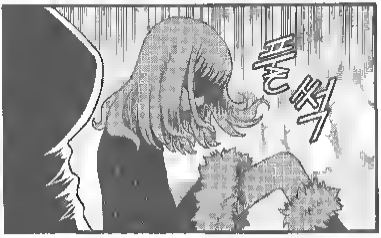
I hope you won't summon us for no reason again !
Sigh ..., once we go back, we will be back to shoveling..
슈웅
Ah ?! My shovel !
Take me, too !!!



My shovel !
슈 웅

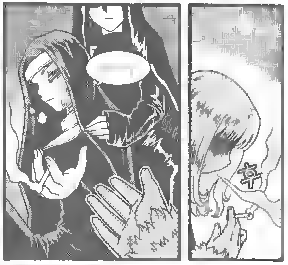
Take me— too—

저벅 저벅

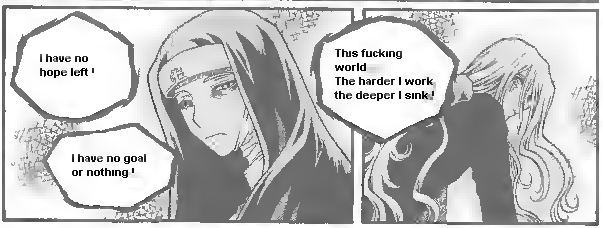


툭 덕

Give me one too !

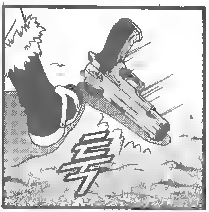


Why is it so hard to live on ?!
Nothing ever in this world works as I hoped !



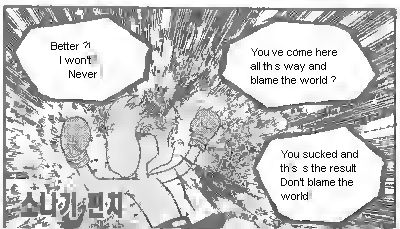
I have no hope left !
I have no goal or nothing !
This fucking world
The harder I work the deeper I sink!

It will get better as I live on, right ?
Right ???



휙

Just shoot yourself.



Better ?!
I won't
Never
You've come here all th s way and blame the world ?
You sucked and th s s the result Don't blame the world!
소나기 온지

You are worse than those useless angels
Noth ng good w ll happen f you keep l v ng so end t

That s so mean !
What you are saying is that you let him sit on dung !
You do realize that you are "dung", don't you ?

흑
Please, cheer up ! Don't be so down !
I will help you !

I will be by yourself and help you out!
.....
I cannot use Dellah beam now
But, n few days I will be able to and I will give your wings back. Go home then!
That is not what I meant.
Humans are not weaklings
You don't have to push yourself so hard

You ve tried so hard until now
Why don't you lean your back to me now ? Relax !
You may call me Delilah MK II.
What a naming sense
I now realize my true purpose
I will be by your side until the end !
